Broken Bones is a new LitRPG fantasy game that takes place in the world of New Realm Online. The game features a unique combat system that emphasizes realism and strategy, as well as a deep crafting system that allows players to create their own weapons, armor, and potions.

Gameplay

Broken Bones is a third-person action RPG with a focus on realistic combat and deep character customization. Players create a character and embark on a journey through the world of New Realm Online, fighting monsters, completing quests, and leveling up their character.

The combat system in Broken Bones is designed to be realistic and challenging. Players must carefully manage their stamina and resources,

and use a variety of attacks and abilities to defeat their enemies. The game also features a unique "wound system" that tracks the severity of injuries sustained by the player character. Serious injuries can significantly impact the player's ability to fight and survive.

In addition to combat, Broken Bones also features a deep crafting system that allows players to create their own weapons, armor, and potions. Players can gather resources from the world, and then use them to craft items at blacksmiths, armorers, and alchemists. Crafted items can be used to improve the player's combat abilities, and can also be sold to other players for profit.

Setting

Broken Bones is set in the world of New Realm Online, a vast and dangerous world filled with monsters, magic, and adventure. The game's world is divided into several different regions, each with its own unique setting and atmosphere.

- The Forest of Shadows is a dark and dangerous place, filled with treacherous cliffs and deadly creatures.
- The Mountains of Despair are a cold and unforgiving place, where the air is thin and the snow is always falling.
- The Plains of Destiny are a vast and open area, where the wind is always blowing and the sun is always shining.
- The Caves of Wonder are a labyrinthine network of tunnels, filled with hidden treasures and dangerous creatures.

Characters

Broken Bones features a cast of memorable characters, each with their own unique story and motivations.

- **Aric** is a young warrior who is determined to avenge the death of his father.
- **Lyra** is a skilled archer who is searching for the lost city of Atlantis.
- **Gareth** is a powerful mage who is seeking to learn the secrets of the ancient runes.
- **Elara** is a cunning rogue who is always looking for a quick buck.

Broken Bones is a new LitRPG fantasy game that offers a unique and challenging combat system, a deep crafting system, and a memorable cast of characters. The game is set in the vast and dangerous world of New Realm Online, and players will have to use all of their skills and resources to survive and succeed.
