

# Fun Facts About the Summer and Winter Olympic Games

The Olympic Games are the world's biggest and most prestigious sporting event, bringing together athletes from over 200 countries to compete in a variety of sports. The Games are held every four years, with the Summer Olympics taking place in the even-numbered years and the Winter Olympics taking place in the odd-numbered years.

The first Olympic Games were held in Athens, Greece, in 1896. The Games were revived in 1924 and have been held every four years since then, with the exception of 1940 and 1944, when they were canceled due to World War II.
