PRAYER AGAINST PREGNANCY COMPLICATIONS

Gracious Lord,

I thank you for your protection over my life and that of my baby's.

Because you are with me, I know I can trust in you with the health of my baby.

I pray for an uncomplicated pregnancy.

I pray against any form of sickness or disease that might affect my health and the health and development of this baby.

Please shield and protect this little one.

I pray against any complications that will lead to a surgical operation.

Please cover my baby and me with your mighty wings and make it impossible for the enemy to attack us in Jesus' name, I pray.

Amen
